#### INDEPENDENT AUDITORS' REPORT

To the Board PATRICIA GARDENS OWNERS, INC.

**Opinion** 

We have audited the accompanying financial statements of Patricia Gardens Owners, Inc., which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of loss, retained earnings (deficit) and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Patricia Gardens Owners, Inc., as of December 31, 2022 and 2021, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We have conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Patricia Gardens Owners, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 12, the entity has not estimated the remaining lives and replacement costs of the common property and, therefore, has not presented information about the estimates of future costs of major repairs and replacements that will be required in the future that accounting principles generally accepted in the United States of America has determined is required to supplement, although not required to be a part of, the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Patricia Gardens Owners, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Audtior's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Patricia Gardens Owners, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Patricia Gardens Owners, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

BLOOM AND STREIT LLP Certified Public Accountants March 2, 2023

#### **Notes to Financial Statements**

#### December 31, 2022 and 2021

#### Note 1 <u>Organization</u>

Pursuant to a Plan to Convert to Cooperative Ownership dated June 29, 1984, and as amended, title to the land and building known as Patricia Gardens, Larchmont, New York, was conveyed by the sponsor to Patricia Gardens Owners, Inc. on February 12, 1985. Patricia Gardens Owners, Inc. is a cooperative housing corporation whose primary purpose is to manage the operations of its buildings, consisting of 65 residential apartments, and maintain common elements.

The sponsor elected to treat the transfer of the real property to the cooperative as an exchange in accordance with Section 351 of the Internal Revenue Code. As a result, the cooperative's tax basis of the land and the building is the same as in the hands of the sponsor on the date of transfer. The lower basis of the property will result in lower depreciation deductions for tax purposes, as compared with that shown in the financial statements.

#### Note 2 <u>Summary of Significant Accounting Policies</u>

The financial statements have been presented in accordance with the accounting principles prescribed by the audit and accounting guide for common interest realty associations issued by the American Institute of Certified Public Accountants. The guide describes conditions and procedures unique to the industry (including cooperative housing corporations and condominium associations) and illustrates the form and content of the financial statements of common interest realty associations as well as informative disclosures relating to such statements. In addition, the guide requires that all revenues from tenant-stockholders, including maintenance charges and special assessments, be recognized as revenue in the statements of loss.

For purposes of the statements of cash flows, the cooperative considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

The cooperative classifies its marketable debt securities as "held to maturity" since it has the positive intent and ability to hold the securities to maturity. Securities classified as "held to maturity" are carried at amortized cost.

#### **Notes to Financial Statements**

#### December 31, 2022 and 2021

#### Note 2 Summary of Significant Accounting Policies - continued

Tenant-stockholders are subject to monthly charges to provide funds for the cooperative's operating expenses, future capital acquisitions, and major repairs and replacements. Tenants' Accounts Receivable at the balance sheets date represent various fees due from tenant-stockholders. Any excess charges at year end are retained by the cooperative for use in the succeeding year.

Property and equipment is being carried at cost. Depreciation of the buildings is being computed by the straight-line method using a life of thirty-five years. Depreciation of building improvements is being computed by the straight-line method over periods from twenty-seven and one-half years to thirty-five years.

Costs incurred in obtaining long-term financing, included under mortgage payable on the balance sheets, are amortized on a straight-line basis, which approximates the effective interest method, over the terms of the related debt agreement. The amortization of these costs are being recognized as interest expense-debt issuance costs on the statements of loss.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The cooperative accounts for certain revenue items differently for financial reporting and income tax purposes. The principal differences are permanent in nature and relate to any portion of maintenance charges and special assessments allocated for mortgage amortization and capital improvements which are being accounted for as contributions to additional paid-in capital for income tax purposes whereas such items are recognized as revenue for financial reporting.

Tenant-stockholders are subject to monthly assessments to provide funds for the cooperative's operating expenses and major repairs and replacements. Assessment revenue is recognized as the related performance obligations are satisfied at transaction amounts expected to be collected. The cooperative's performance obligations related to its operating assessments are satisfied over time on a daily prorata basis using the input method. The performance obligations related to the replacement fund (reserve fund) assessments are satisfied when these funds are expended for their designated purpose.

#### **Notes to Financial Statements**

#### December 31, 2022 and 2021

#### Note 2 Summary of Significant Accounting Policies - continued

The cooperative recognizes revenue from members as the related performance obligations are satisfied. A contract liability (assessments received in advance) is recognized when the cooperative has the right to receive payment in advance of the satisfaction of performance obligations related to replacement (reserve) assessments.

#### Note 3 Concentration of Credit Risk

The cooperative has investments in money funds which are not bank deposits or F.D.I.C. insured and are not guaranteed by the brokerage house. These funds are subject to investment risks including possible loss of the principal amount invested.

#### Note 4 Property and Equipment

Property and Equipment consists of the following:

	<u>2022</u>	<u>2021</u>
Land	689,960	689,960
Building	1,713,000	1,713,000
Building Improvements	2,201,664	2,201,664
Furniture and Fixtures	<u>20.087</u>	20,087
	4,624,711	4,624,711
Less: accumulated		
depreciation	2,728,146	2,653,824
Total Property		
and Equipment	1,896,565	1,970,887

Depreciation expense for the years ending December 31, 2022 and 2021 was \$74,322 and \$74,591, respectively.

#### Note 5 Mortgage Payable

On August 26, 2015, the cooperative refinanced its previous mortgages and line of credit with a new mortgage held by National Cooperative Bank (NCB) in the principal sum of \$3,250,000. The new mortgage which consolidated the prior two mortgages and line of credit previously held by NCB, requires monthly payments in the amount of \$15,180.64, which includes principal and interest calculated at a rate of 3.82% per annum pursuant to a thirty year amortization schedule.

#### Notes to Financial Statements

#### December 31, 2022 and 2021

#### Note 5 Mortgage Payable - continued

The mortgage matures on September 1, 2025 at which time the entire unpaid principal and accrued interest will be due and payable.

Principal maturities of the mortgage are as follows:

2023	75,825
2024	78,520
2025	2,625,984

Pursuant to the loan agreement with NCB, the cooperative was required to purchase shares of NCB Class B1 Capital Stock. This stock is reflected on the cooperative's balance sheet with a cost basis of \$8,990. For the year ended December 31, 2022 and 2021, the cooperative received \$8,910 and \$8,622, respectively in patronage dividends.

#### Note 6 PPP Loan Proceeds

On March 16, 2021, the cooperative was granted a loan from National Cooperative Bank, N.A., in the amount of \$19,335, pursuant to the Paycheck Protection Plan (the "PPP") under Division A Title 1 of the CARES Act, which was enacted March 27, 2020.

The loan which was in the form of a note dated March 17, 2021 was issued by the borrower and is expected to mature in March 17, 2026 bearing interest at a rate of 1% per annum, which approximates the effective interest rate. Funds from the loan could only be used for payroll costs, costs used to continue group health care benefits, mortgage payments, rent, utilities and interest on other debt obligations incurred before February 15, 2020.

Under the terms of the PPP, certain amounts of the loan could be forgiven if they were used for qualifying expenses as described in the CARES Act. The cooperative used the entire loan proceeds for the qualifying expenses as listed above. As of December 14, 2021, the entire amount of the loan was forgiven. Accordingly, the amount of the loan forgiveness is recognized on the Statements of Loss as PPP Loan Proceeds.

#### **Notes to Financial Statements**

#### December 31, 2022 and 2021

#### Note 7 Reserve Fund

The cooperative maintains a contingency reserve fund to be used for capital repairs, replacements and improvements, or for such other cooperative purposes as are determined by the Board. As of December 31, 2022 and 2021, specific funds held in the Reserve for Contingencies totaled \$231,216 and \$344,098, respectively.

The amount accumulated in the contingency fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the cooperative can increase regular carrying charges, pass special assessments, borrow needed funds, or delay major repairs and replacements until funds are available.

#### Note 8 Sponsor/Holder of Unsold Shares Ownership

As of December 31, 2022 and 2021, the sponsor/holder of unsold shares owned approximately 29% of the outstanding shares of the cooperative's stock, representing eighteen apartments. As of that date, the sponsor/holder of unsold shares was current in the payment of carrying charges.

The most recent Disclosure Statement filed with the Attorney General's Office (seventeenth amendment to the Cooperative Offering Plan) dated July 16, 2019, indicates that the aggregate monthly maintenance for all unsold shares is \$17,595. The aggregate monthly rents received from tenants residing in the apartments owned by the sponsor/holder of unsold shares is \$28,563. No subsequent amendments have been filed.

#### Note 9 Benefits

The cooperative participated in the 32BJ North Pension Fund, Employer Identification Number 13-1819138, Plan 001, for the years ended December 31, 2022 and 2021. The cooperative participated in this multi-employer plan, for the years ended December 31, 2022 and 2021 under the terms of collective-bargaining agreements that cover its union represented employees. This collective bargaining agreement expires September 30, 2026 and the cooperative has no intention of withdrawing from the plan.

#### **Notes to Financial Statements**

#### December 31, 2022 and 2021

#### Note 9 Benefits - continued

The risks of participating in multi-employer plans are different from single-employer plans for the following reasons: 1) assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers, 2) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers and 3) if the cooperative chooses to stop participating in its multi-employer pension plan, the cooperative may be required to pay the plan an amount based on the underfunded status of the plan, which is referred to as a withdrawal liability.

The zone status is based on information that the cooperative received from the plan and is certified by the plan's actuary. Plans in the red zone are generally less than 65 percent funded, plans in the yellow zone are less than 80 percent funded and plans in the green zone are at least 80 percent funded. The most recent Pension Protect Act (PPA) zone status available is for the plan's year-end beginning January 1, 2020 and 2019. The certified zone status for the plan for 2020 and 2019 was green and red, respectively. A rehabilitation plan was implemented for 2019 which involved a surcharge to the cooperative.

In addition to the Pension Fund, the cooperative also participated in a Health Fund for the years ended December 31, 2022 and 2021. The fund provides health benefits (medical, surgical, hospital, prescription drugs, behavioral health, optical, dental) and life insurance coverage for eligible participants and their covered dependents. Retired employees are eligible for health benefits if they retire before age 65, but after age 62; accumulated 15 combined years of pension service credit; worked both 90 days immediately before retirement and at least 36 months of the 60 months before retiring; and are receiving an early or regular retirement pension from the 32BJ North Pension Fund. These benefits continue for the retired employee and eligible dependents until they become eligible for Medicare, until age 65, or until the retiree's pension is suspended, whichever occurs first.

The cooperative made the following contributions to the plans:

	<u>2022</u>	<u> 2021</u>
Pension Contributions	4,910	4,589
Health Contributions	20,640	19,752

The cooperative's contributions to the plan were not greater than 5% of the plan's total contributions.

#### **Notes to Financial Statements**

#### December 31, 2022 and 2021

#### Note 10 Real Estate Taxes - Tax Abatements

The cooperative is entitled to and has received tax abatements on behalf of its stockholders during 2022 and 2021. The abatements, which include Star and Veterans abatements (where applicable) have been passed on to the stockholders by direct payment or as a credit against carrying charges. Any undistributed abatements as of the fiscal year end have been included on the Balance Sheets in Current Liabilities as Exchanges Payable. As the abatements benefit the stockholders, the real estate tax expense reflected in these financial statements is gross of all the aforementioned tax abatements.

#### Note 11 <u>Income Taxes</u>

Federal income tax is computed pursuant to Subchapter T of the Internal Revenue Code. Under Subchapter T, income from non-patronage sources in excess of expenses properly attributable thereto may be subject to tax. The cooperative believes that all of its income is patronage sourced. Accordingly, no provisions for taxes, if any, that could result from the application of Subchapter T to the cooperative's income has been reflected in the accompanying financial statements. New York State Franchise taxes are calculated by utilizing special tax rates available to cooperative housing corporations based on the cooperative's capital base.

Losses incurred in years prior to 2018, may be carried forward for twenty years from the year incurred and may be used to offset 100% of taxable income. Due to a change in the tax law, federal net operating losses incurred in 2018 and thereafter may be carried forward indefinitely, but may only be used to offset 80% of taxable income each year. This law was subsequently modified under the CARES Act, which was enacted March 27, 2020. Under the CARES Act, the 80% taxable income limitation is delayed until years beginning after December 31, 2020. The 80% limitation will apply to any net operating loss arising in a year beginning after December 31, 2017 and deducted for a year beginning after December 31, 2020.

Additionally, the Act provides that for losses arising in 2018, 2019 and 2020, such loss shall be a net operating loss carryback to each of the prior five taxable years. Additionally, as is the case under pre-2018 law, the taxpayer may make an election to waive the carryback and instead treat losses arising in these years as net operating loss carryovers.

#### **Notes to Financial Statements**

#### December 31, 2022 and 2021

#### Note 11 Income Taxes - continued

As of December 31, 2022, the cooperative has available federal net operating loss carryforwards to apply to future taxable income of approximately \$1,949,000. These net operating loss carryforwards consist of carryforwards of approximately \$1,397,000 which expire beginning in 2023 and continuing through 2037 and carryforwards of approximately \$552,000 which were incurred in 2018 and thereafter. New York State substantially limits the use of these net operating loss carryforwards.

In accordance with accounting rules for uncertainty in income tax guidance, which clarifies the accounting and recognition for tax positions taken or expected to be taken in its income tax returns, the cooperative's tax filings are subject to audit by various taxing authorities. The cooperative's federal and state income tax returns for the last three years remain open to examination. In evaluating its tax provisions and accruals, the cooperative believes that its estimates are appropriate based on current facts and circumstances.

#### Note 12 Future Major Repairs and Replacements

The cooperative has not conducted an official CIRA study to determine the remaining useful lives of the components of common property and current estimates of costs of major repairs and replacements that may be required in the future. When replacement funds are needed to meet future needs for major repairs and replacements, the cooperative may borrow, utilize available cash, increase carrying charges, pass special assessments or delay repairs and replacements until the funds are available. The effect on future assessments has not been determined at this time.

#### Note 13 Subsequent Events

Management has evaluated subsequent events through March 2, 2023, the date at which the financial statements became available for issuance. No events have occurred that would require adjustments to, or disclosure in, the financial statements.

#### INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

To the Board PATRICIA GARDENS OWNERS, INC.

We have audited the financial statements of Patricia Gardens Owners, Inc. as of and for the years ended December 31, 2022 and 2021, and our report thereon dated March 2, 2023, which expressed an unqualified opinion on those financial statements, appears on Page 1. Our audits were performed for the purpose of forming an opinion on the financial statements as a whole. The schedule of budget with actual operating amounts, which is the responsibility of the entity's management, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information, except for the portion marked "unaudited" was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. That information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, that information is fairly stated in all material respects in relation to the financial statements as a whole. The information marked "unaudited" has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.
