Hello Mr. Orlovsky,

Just sending a quick note to thank you for the annual and beautiful landscaping undertaken at White Plains Shopping Center. The Town of Greenburgh seeks to build on this aesthetic and recently had approved and has now implemented new shade trees in the median of Rt. 119 near your business. The Town also had planted a wildflower mix which will beautify the median in this portion of the corridor in the spring and all year. Lastly, we are coordinating with Raymour and Flanigan, who will be taking over the Stickley Audi space in 2024, on improved landscaping at its frontage to create a more beautiful corridor.

Long way of saying, please don't change a thing at your site, we are trying to match efforts around you!

Thank you,

Garrett Duquesne, AICP

Commissioner

Department of Community Development
and Conservation
